RE: LOCAL GOVERNMENT SUPPORT PROJECT (LGSP) IDA- CR. NO 4003 TA

SUB: RELEASE OF DATASET INTO OPENSTREETMAP

Please refer to the above captioned subject.

Following completion of Base Map for property rates management, which we would like to share with the community and other stakeholders in improving mapping of Dar es Salaam, we hereby release this dataset into OpenStreetMap or any similar open platform. This data, which we release now, is and should always be available in a free and open license. We also agree to the upcoming Open Street Map licensing change, from Creative Commons Attribution-Share Alike 2.0 to Open Database License (ODbL). We welcome the opportunities which can be made from the release of this data and look forward to seeing the future results.

We look forward to your cooperation and support,

Mussa B. Natty
AG. CITY DIRECTOR
