CENTRO NACIONAL DE
INFORMACIÓN GEOGRÁFICA

OPEN LETTER TO OPENSTREETMAP COMMUNITY

According to the new geographic data and services policy of IGN Spain defined in the Ministerial Order FOM/2807/2015 of 18th December 2015, establishing all IGN geographic data products and services as open, we inform you that the information contained in all IGN data products available in its Download Centre are published under an global, permanent and non-revocable license, compatible with a CC BY 4.0 (Creative Commons attribution 4.0), that allows all kind of exploitation and use.

Therefore the mentioned information can be integrated in *OpenStreetMap* cartography without any limitation nor restriction, with the only conditions of attributing the authorship of IGN in the way stated the license published in CNIG Download Centre (<http://centrodedescargas.cnig.es/CentroDescargas/>).

Yours faithfully,

Madrid, 22th June 2017

Amador Elena Córdoba

General Director of IGN Spain
President of National Centre of Geographic Information
