

## Rules of the "Roadworks in OSM"

1 The competition was organized by the Association of Polish OpenStreetMap. Contact organizers can be obtained by writing to the address [zarzad@openstreetmap.pl](mailto:zarzad@openstreetmap.pl) .

2 The aim of the competition is to promote the design and enhancement of the OpenStreetMap project data mileage of national, provincial, and others in Poland.

3 The competition runs from 1 May 2013 to 30 June 2013

4 The task is to introduce the OpenStreetMap database [chainage](#) , The bars distance markers.

### Assumptions:

- The participant selects a place on the road (highway, ekspresowej, national or provincial), which is marked with post pikietażowy n mi + 0 by placing the node with the appropriate tagging
- a properly tagged shall be:
  - highway = milestone (tag indicating the post pikietażowy)
  - pk = <km> (tag indicating the distance from the beginning of the route, the value read from the post)
  - ref = <phone drogi> tag indicating the number of the road (eg, ref = A1)
- node should be placed in the axis of the road, but without adhering it to the road and other objects
- interpolating permitted, but only a maximum of three consecutive points (Km). The participant who will not be able to prove that the data entered were collected "in the field", may lose the right to the prize.

5 It is expected the following prizes:

- for first place - a material prize worth about 400 zł

- for second place - a material prize worth about 250 zł
- for third place - a material prize worth about 100 zł.

First place excludes the participant the opportunity to receive awards in the following editions of this competition (if there will be).

6 The emergence of winners, possible disqualification and professional supervision is carried out in the Organizer by the Competition Commission.

Composition of the Competition Commission consists of the following persons:

- ppece (Przemysław Czopor)
- SQ9NIT (Thomas Nycz)
- Zibi (Zbigniew Czernik)

7 Winners will be selected based on the number of points scored and check quality of the data by the Competition Commission. And ranking the current visualization is under address: <http://osmapa.pl/konkursy/pikietaz/>
